SUSTAINABLE CLAIMS PRICING™

Out-of-Network Repricing

DON'T SETTLE FOR AN ARBITRARY PERCENTAGE

Revolutionizing the way out-of-network and catastrophic healthcare claims are adjudicated.

- **Sustainable Health Benefits:** Control the rising costs of out-of-network claims through a fair and accurate repricing methodology.
- **Pay What's Fair and Reasonable:** Bend the trajectory of health plan spend by paying claims at a cost-plus approach at the line level.
- **Remove Member Worry:** Patient balance billing solved through Shield Indemnification.

RBP CLEANUP

Network Replacement

REACH THE OTHER SIDE OF AN RBP MESS

Ensuring disputes are resolved with accuracy and fairness, backed by full financial support.

- **Expert Intervention:** WellRithms steps in when balance billing and reimbursement disputes remain unresolved, ensuring resolution without overpayment.
- **Full Responsibility Assurance:** Taking over complete responsibility for disputed claims, indemnifying the plan and patient of any alleged debt liability.
- **Defensible Reimbursement:** Offering resolutions based on defensible reimbursement rates that accurately reflect provided treatments.
- **Conflict Resolution:** Streamlining the process to settle disputes, reinforcing the plan's position with a solid foundation.

SHIELD INDEMNIFICATION™

Protects health plan dollars.

UNPRECEDENTED PROTECTION

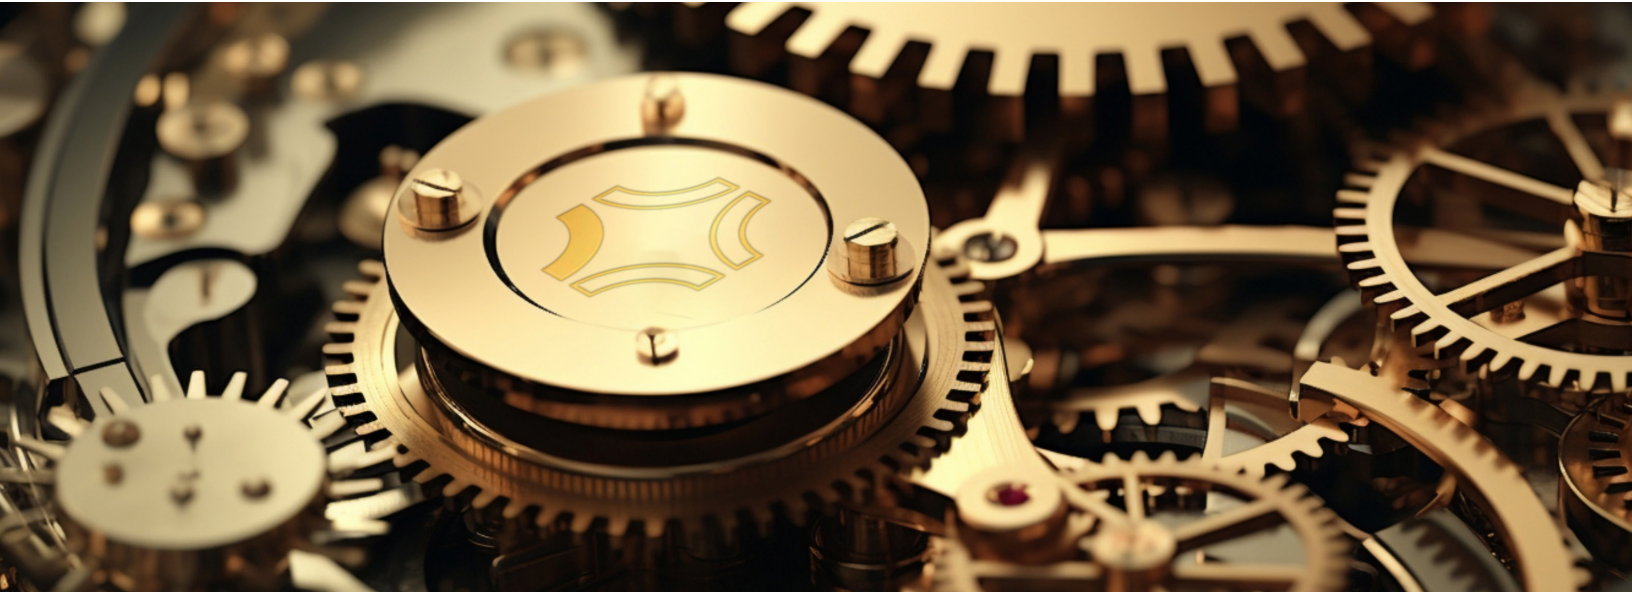

Shield Indemnification™ offers unparalleled protection against the financial risks associated with medical billing errors and overcharges. Our product ensures that payors are safeguarded from the economic impact of provider disputes and balance billing.

- **Financial Security:** Guarantees financial protection by covering the costs associated with disputes over medical bill overcharges.
- **Risk Transfer:** Financial liability is assigned to WellRithms, making disputes manageable and balance billing tactics unenforceable.
- **Peace of Mind:** Immediate bill closure for the payor and balance billing protection for the member.

SHIELD INDEMNIFICATION™

Take a closer look into what to expect.

HOW IT WORKS

Plans utilize WellRithms as a co-fiduciary, assigning complete risk and liability of the claim to WellRithms. Both the member and the plan are indemnified.

- **Trusted Expertise:** Backed by WellRithms' industry-leading accuracy in specialty bill review and repricing.
- **Proven Success:** Demonstrated effectiveness with established case law and favorable decisions across the nation.
- **Complete Peace of Mind:** Transferring liability ensures that plans and members are shielded from balance billing threats and tactics, making them unenforceable.

The only Indemnity
